To the Parents of Passengers Currently Assigned to Routes V21 (am/pm), V31 (am/pm), V193 (am) and V190 (pm) – W. Erskine Johnston PS

Dear Parent or Guardian:

Recently identified passenger count issues have necessitated changes to Routes V21 (am & pm), V31 (am & pm), V193 (am) and V190 (pm). This will involve changes to your child's route assignment and could impact your pick up and drop off times. Please review the revised schedules below to determine your child/children's route number and revised pick up and drop off times.

These changes will take effect on Monday, October 7th, 2019.

These changes will impact both the morning and afternoon runs. All stop locations will remain the same. The times listed below are approximate times and may vary slightly. Families are reminded to be out at their stop locations 5 minutes prior to the scheduled times below. We appreciate your patience as the drivers become familiar with these changes.
